COOKING

Apples, apples and more apples have been peeled, sliced and stewed for lovely desserts.

We have been cooking up a storm making biscuits for afternoon tea, enjoyed by all.

We have also made many jars of tomato relish, on sale here at Sunnyside! The recipe for the tomato relish is from Rose's mother's own recipe book.

A big thank you to the Sunnyside Op-shop for donating a number of glass jars for our relish.

BOWLS & BUCKET BALL

Bowls has been keenly attended by many residents, lots of fun had by all.

As with bowls, everyone has a go at bucket ball, with lots of laughter and close scoring shots.

NEW STAFF

During April we welcomed Maddy to the Sunnyside team. Please make her feel welcome

NEW RESIDENTS

April we welcomed Jane and Dulcie to Sunnyside. We hope you have all had a chance to introduce yourselves to our new residents and make them both feel very welcome.

ANZAC DAY

We remembered our fallen soldiers and their families on ANZAC day. Mavis laid the wreath and George was on flag duty. We said some prayers, read some poems and sang a few songs, all in the name of the lost, but not forgotten.

ANZAC Day falls on the 25th as this day in 1916 the ANZACS set out to capture the Gallipoli Peninsula. The battle of Gallipoli went for ten months.

Lest we forget.
