

GARDEN WALKS

No matter the weather, the Sunnyside gardens are a lovely place to visit. We are blessed to have Frank & Krooze looking after all of our many gardens.

AN 'AUSSIE' GREETING

Our resident cat, Aussie, decided it would be nice to welcome each visitor to Sunnyside by sitting on the wheelchair in the foyer. However, he soon fell asleep but was still a cute welcome for our visitors!

BUS TRIP TO LAKE TOOLIOROOK

On 17th September we took a bus load of residents north to Lake Tooliorook. It was a glorious day and enjoyed by all who attended.

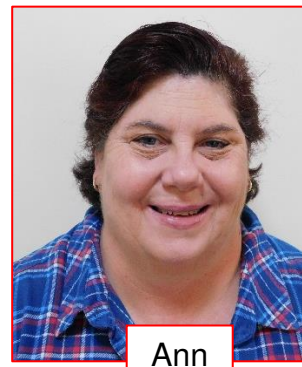

NEW RESIDENTS

In September we welcomed Val, Gordon and Mary for respite at Sunnyside. We hope you had a chance to introduce yourselves and make them all feel very welcome.

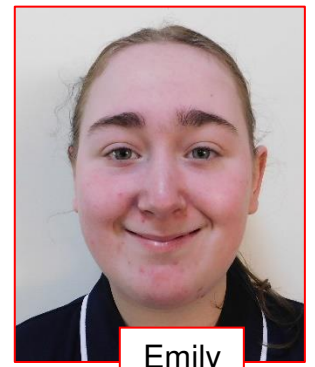

NEW STAFF

In September we welcomed Ann (Registered Nurse) and Emily (Personal Care Worker) to the Sunnyside team.

Ann

Emily

Please make them feel welcome.

FAREWELL

A farewell was organised for Grace who is commencing parental leave. We wish Grace and Tom all the best with the birth of their second child.

GRAND FINAL

As Markita was taking leave so she could recover from her team winning its first Grand Final in 57 years, we decided to celebrate the footy while she was still here.

Some staff dressed in footy colours and boxes of chocolate were handed out to the best dressed female and male. Rhonda and Nathan, both from reception, took out the choccies!

VISIT AFTER BIG TRIP

There were smiles all round when Bert's son and daughter-in-law dropped in to see Bert after their East coast of Australia caravan trip.

BIRTHDAY CELEBRATIONS

Alastair celebrated his birthday this month.

His sister gave him an impossible puzzle for his 81st birthday. Hopefully he has it finished for his 90th! We had a great celebration for his birthday...for he's a jolly good fellow.

FATHER'S DAY

Happy "Father's Day" to all the wonderful fathers.

LOLLY TROLLEY

Since the pandemic started, the Trolley Auxiliary ladies have been unable to visit each fortnight with their lolly trolley. Sunnyside thought it would be a wonderful idea for our activities to provide this service to our residents during this time. Jenny quite often has her dog, Scotty, helping her!

GRAND FINAL COMPETITION

Alastair won the closest margin competition for the Grand Final. He picked Melbourne to win by 55 points, so was 20 points closer than anyone to the final score. Melissa presented him with the winning chocolates, as she has been having a turn managing activities whilst Markita is away. Well done Al and well done Melissa!

ACTIVITIES

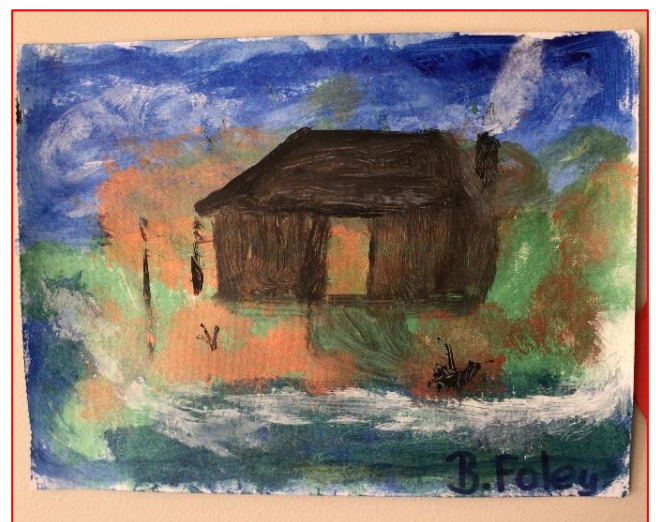

During the month of September we had a couple of sing-a-longs, as well as some craft days.

There was a fabulous crowd for the sing-a-longs which were enjoyed by all.

We painted some landscapes and also some modern pieces. They turned out looking really great. Some of us are quite proud of our masterpieces.

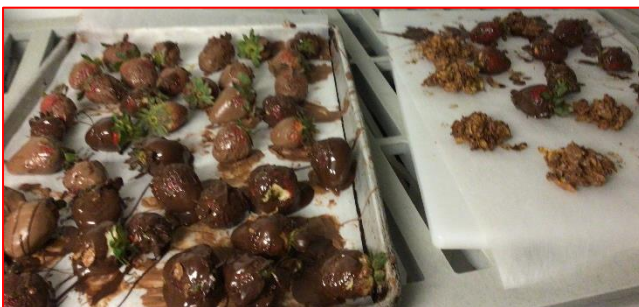

COOKING

Towards the end of September we got our gloves on for some more cooking. We made cornflake biscuits which are some residents' most favourite type of biscuit. They turned out to be delicious. We had one each while they were still warm! The rest were saved for afternoon tea.

We also enjoyed melting dark chocolate and milk chocolate separately and dipping strawberries in them. There were plenty of glove changes as some residents couldn't help licking their fingers.

MILKSHAKES

Ros thought it was about time for another milkshake afternoon, so she organised things for Adam to work his magic.

We had chocolate, banana, malt and strawberry, which meant there were also choc-banana and choc-malt. Choc-malt was the most requested, followed by strawberry.

Adam certainly knows how to make a delicious milkshake!

MATCHING PALS

Scotty comes to work with Jenny every Friday and brings delight to both residents and staff. The residents take it in turns taking him for a walk. This particular day, Ellen thought she'd match her outfit to Scotty's! ♥

CEO REPORT

Another testing time for us all – literally. After the recent COVID-19 contact in Camperdown, many of our Camperdown community champions decided to attend the Leura Oval for asymptomatic testing. Some queued for as long as five hours. Well done Camperdown in helping to keep us all safe.

Kind Regards,
Claire
