

Sunnyside Snippets

WINTER 2023

STICKERS

Adam brought some stickers in July and our residents stuck them to mirrors and canvases to create some really wonderful art.

There is a lot of different things to see in our murals. We hope you enjoy them.

PUZZLES

We completed a few beautiful puzzles in July. Nick the maintenance man backed and covered them so they could hang on our walls.

TOUR DE FRANCE

Jack was training for le Tour De France during July.

BIRTHDAY

Don celebrated his birthday with a delicious sponge with blue icing.

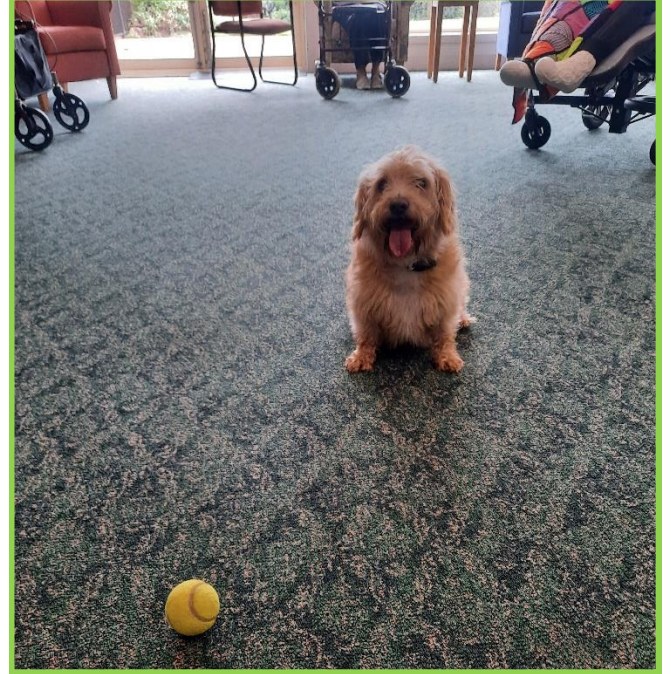

CHRISTMAS IN JULY STORIES

Wallis decided to sit in front of the tree. We thought at the time he needed a big book of Christmas stories to read to us.

DOGGY VISIT

Adam brought in his new dog, Mac, for an introduction and visit. She was very well behaved considering who his owner is 😊. We had a great time with Mac, throwing the ball and being cuddled.

BOBS

More fun games for all to be involved.

CONTINENCE QUEENS DOING THEIR THING

CROCHET

Bill decided to take up crochet. This may not be true but photos don't lie!

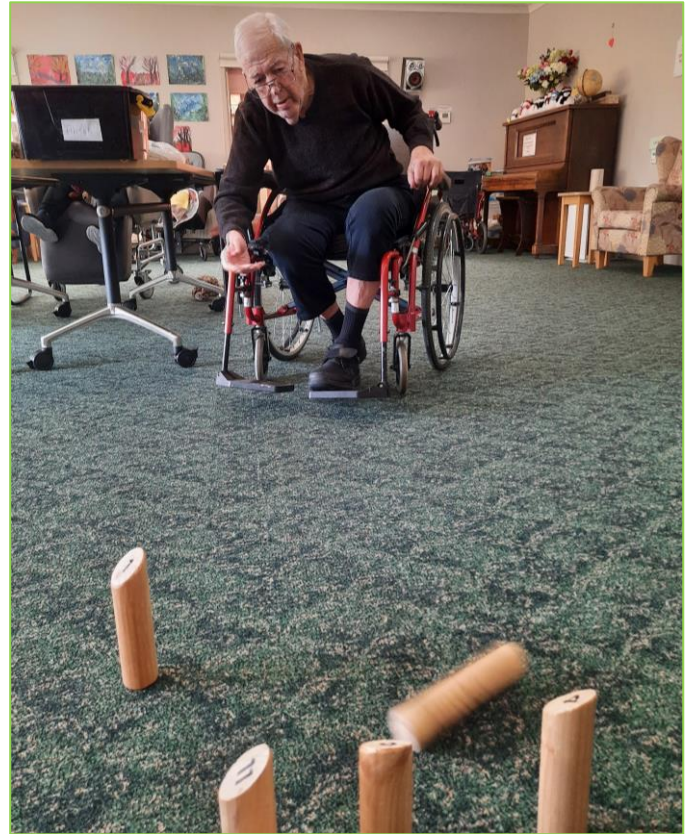

BASKETBALL

Kate & Gemma playing basketball.

FINSKA

We played a few different hand/eye coordination games over the last few months. Finska is a lot of fun but is very tricky! The aim is to get a perfect score of 50. If you go one over your score goes back to 25. There is many a fingernail biter during our games of Finska!

GARDENING

Tim is often seen out in the Sunnyside grounds continuing his passion of gardening.

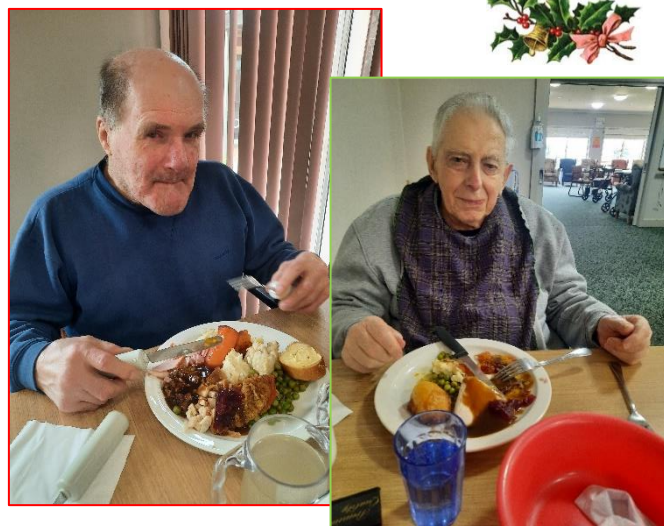

NUTS & BOLTS

We had a great time making Nuts & Bolts for 'Christmas in July' afternoon tea. It was quite a surprise to learn a number of the staff had never tried Nuts & Bolts! They turned out delicious, considering Adam pays little attention to recipes!!

An absolutely perfect Christmas lunch was enjoyed on 25th July.

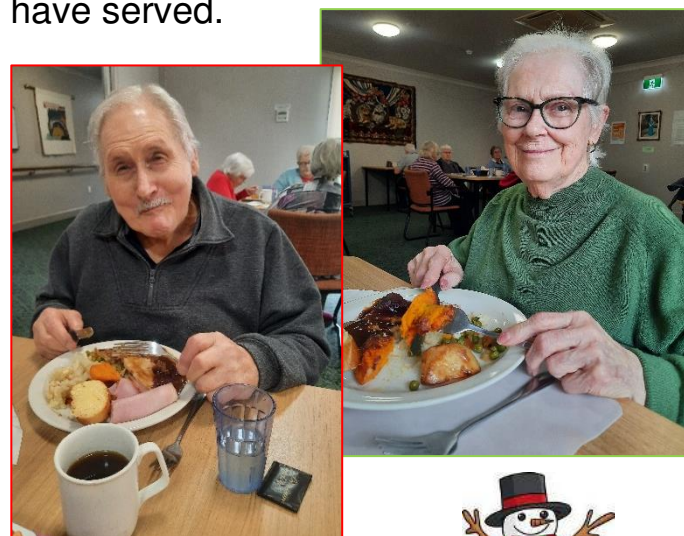

A lot of us think Christmas in July is a bit of a gimmick but we all agree it's worth the trouble for the beautiful lunch we have served.

CLOTHES COLLECTION

Dorothy N made the front of the Camperdown Chronicle. Dorothy's clothes collection is an amazing feat! Garments range from the 1800s to the 2000s, with thousands of pieces of clothing. It finally came time for the public to be able to purchase the collection.

CHRISTMAS IN JULY

STAFF FIRE TRAINING

August started off with staff fire training.

It was a very informative fire training course. Mick Brebner and Colac CFA ran us through the uses, and using, of fire extinguishers. They discussed safety protocol for Sunnyside in case of a fire.

COLOURING

Mid-winter we thought it would be a fantastic idea to brighten up the loungeroom with some colouring of pretty spring flowers. Some lovely creations now adorn the main lounge walls.

For Art & Craft we pulled out the colouring again, as it is a really good time and the finished pieces look really, really special.

CEO REPORT

When we last released Sunnyside Snippets we were all looking forward to the football season and now it seems a distant (bad) memory.

It has been a cold winter but we've had plenty to do inside, none more so than Aussie who has been buried in paperwork

Bec Siemon

VALE

During the winter months we farewelled Leo, Dorrie and Mary H.

We offer our sincere sympathy to their extended family, friends and Sunnyside staff.

We trust that we served them well during their time with us.
